About this book

This book is about how you can tell us what you think of

- Yumba Bimbi

- our services and supports

- our staff.

You can say you are happy.

This is good **feedback**.

For example

- staff are friendly
- you get good help.

You can tell us about a **complaint**.

A complaint is when you

- are **not** happy

and

- tell someone the reason.

When you tell us what you think it makes us better at what we do.

We will **not** treat you differently if you tell us

- what you think

or

- how you feel.

You will **not** lose your service.

When you give us feedback you can,

- get the help and support you need
- change things that do **not** make you happy

- help other people who are **not** happy

- help us thank staff who do a good job

- help us make our services better.

You can tell us

- if you are happy or **not** happy about your supports and service

- if someone has hurt you

- if you do **not** feel safe

- if someone does a good job.

We can get feedback and complaints from different people.

For example

- people who use our services

- family and friends

- people in the community

- staff

- carers and **guardians**

A guardian makes legal choices for you.

- **advocates**
