Hard words

This book has some hard words.

The first time we write a hard word

- the word is in **red**

- we write what the hard word means.

You can get help with this book

You can get someone to help you

- read this book

- know what this book is about

- find more information.

About this book

This book is about what we will do to keep you safe.

We want Yumba Bimbi to be a safe place for;

- you

- our staff

- visitors.

How we will keep you safe

We will keep you safe in different ways.

We will:

- know your support needs
- keep information about your supports

- ask you if there are **risks** to your health

Risks are things that could cause problems.

- help you manage risks
- ask you about the medicines you take

- keep information your doctor gives us about the medicines you take.

We will make our services safe places to be in.

We will make sure that our support staff know;

- your support needs

- the risks

- how to make your service a safe place.

We will fix problems if something goes wrong.

For example, if there is an accident.

You can tell us if you think something is **not** safe.

You can tell;

- your support worker

- your service manager

- anyone at Yumba Bimbi.

You can email us at
