## Hard words

This book has some hard words.

The first time we write a hard word

- the word is in **red**
- we write what the hard word means.

## You can get help with this book

You can get someone to help you

- read this book
- know what this book is about
- find more information.

## About this book

This book is about how we can help you to meet the **goals** in your **National Disability Insurance Scheme** plan.

Goals are things you want to happen.

The National Disability Insurance Scheme or NDIS helps people under 65 with a disability get supports.

If you are an NDIS **participant**, you can choose the supports you want us to give you.

A participant is someone who gets support from the NDIS.

We will talk to you about your NDIS goals.

We will help you to make a choice about what your goals are.

We can talk to your family and other services about your goals.

We will only talk to others about your goals if you ask us to.

We will keep information about

- your goals

and

- what you have done to make them happen.

We will keep information about how we help you to meet your goals.

We can show you the information we have about

- you

- your goals.

We will help you to try new things.

We can help you to change your goals if you need to.
